

MSTS PRESENTS

MSTS JUNIOR SCIENCE CHALLENGE

*GET READY FOR AN UNIQUE COMPETITION AND
LEARNING EXPERIENCE!*

THE CHALLENGE?

Make A 3-5 minute video explaining a breakthrough science concept that has been discovered recently in the world, in a way that anyone can understand. The best videos will be awarded with prizes!

THE PRIZES?

You will be awarded a certificate and a gift card based on what distinction you earn.

HOW IS IT JUDGED?

Your video will be judged on a criteria of creativity, execution, skill and intuitiveness. The videos will be judged by an independent panel of scientists, engineers, and professionals.

WHO CAN ENTER?

Anyone 4th-8th grade can enter this competition. This competition is \$5 to enter for non-MSTS members, and free for MSTs members.

WHY ENTER?

It's a competition designed by students, for students. It's made to help introduce new skill sets for participants that will help them in their future study. The seminars and competition are purely for the benefit of the students only.

HOW TO ENTER?

Registrations- <https://forms.gle/HrLGZvcUySd2YiUr6>

The seminars below are hosted as a benefit for participants. These events are purely so participants can get the tips and special info on judging criteria and what we are looking for in a winning entry. Good Luck!
